Getting Started

Registration, phone OTP verification, and choosing your role.

Steps

- 1 Go to the AiForm Procure platform and click Sign Up
- 2 Enter your business email address and create a secure password (minimum 8 characters, must include uppercase, lowercase, and a number)
- 3 Select your role: Supplier or Buyer
- 4 Enter your South African mobile number — a 6-digit OTP will be sent via SMS
- 5 Enter the OTP within 10 minutes to verify your account
- 6 Complete your business profile to activate your account fully

Frequently Asked Questions

I did not receive my OTP — what do I do?

Wait 60 seconds and click Resend code. Check that your number is in +27 format. If the issue persists, contact support.

Can I sign up with Google or Microsoft?

Yes — click Continue with Google or Continue with Microsoft on the login page. Phone verification is not required for OAuth sign-ins.

I forgot my password — how do I reset it?

Click Forgot password on the login page. A reset link will be sent to your email address.

Your Profile

Complete your business profile, company logo, and cover photo.

Steps

- 1 Open Dashboard and go to Business profile
- 2 Add your registered business name, industry, province, phone number, and website
- 3 Upload a company logo and cover photo for your public supplier profile
- 4 Save your changes and review the profile preview

Profile quality

A complete profile gives buyers confidence and improves your visibility when procurement teams search supplier records.

Images

Use a clear logo and professional cover image so your business stands out in supplier directories and buyer shortlists.

Frequently Asked Questions

Do I need a company logo?

Not mandatory, but it helps significantly. Buyers are more likely to consider suppliers with complete profiles.

Can I change my business details at any time?

Yes — go to Dashboard, then Business profile, and click Edit any time.

Supplier Documents

Upload CSD, tax clearance, BBBEE certificate, and banking details.

Steps

- 1 Go to Dashboard, then Business profile, then Documents
- 2 Upload your tax clearance certificate from SARS
- 3 Upload your BBBEE certificate
- 4 Enter your banking details and director contact information
- 5 Save — your SmartScore will update automatically

Frequently Asked Questions

Which documents are required?

Tax clearance certificate, BBBEE certificate, banking confirmation, and CSD number. The CSD number is required for verification.

Are my documents secure?

Yes — documents are only visible to authorised institutions and are not stored outside the platform.

SmartScore

How scoring works, how to improve it, and what buyers see.

How SmartScore works

SmartScore is a 0-100 rating that shows buyers how complete and trustworthy your supplier profile is. It is calculated automatically when your profile is updated.

Score breakdown

Business profile complete	20 pts
CSD number verified	20 pts
Tax clearance uploaded	15 pts
BBBEE certificate uploaded	15 pts
Banking details uploaded	15 pts
Director information	10 pts
Profile photo	5 pts

Frequently Asked Questions

Why is my SmartScore 0?

Your score is calculated when your profile is saved. Complete your business profile and upload your documents to increase it.

Do buyers see my SmartScore?

Yes — your SmartScore is visible on your public supplier profile and in search results.

RFQs and Quoting

Find RFQs, submit quotes, and track status.

Steps

- 1 Go to Dashboard then RFQs
- 2 Browse open RFQs relevant to your business
- 3 Click on an RFQ to view full requirements
- 4 Click Submit quote and fill in the quote form
- 5 Upload required documents and enter your price
- 6 Submit and wait for a response from the buyer

Frequently Asked Questions

How many RFQs can I see?

All verified suppliers can see and respond to all open RFQs matching their industries.

Can I change my quote after submitting?

No — once a quote is submitted it cannot be changed. Contact support if an amendment is needed.

Procurement Wire

What it is, how to use it, and viewing opportunities.

Steps

- 1 Click the Procurement Wire button at the bottom of the screen
- 2 Browse the latest procurement opportunity notices
- 3 Click a notice to view full details
- 4 Follow relevant opportunities to stay informed

Frequently Asked Questions

Is Procurement Wire available to all users?

Yes — Procurement Wire is available to all logged-in suppliers and buyers.

How often are notices updated?

New notices can be added at any time as new opportunities arise.

Thuso AI Assistant

How to use Thuso, what it can help with, and its limitations.

Steps

- 1 Click the Thuso button (chat icon) in the bottom right corner
- 2 Type your question or describe your problem
- 3 Thuso will respond with relevant platform information
- 4 Use the suggested cards to start a conversation

Frequently Asked Questions

What can Thuso do?

Thuso can help with profile questions, understanding your SmartScore, finding RFQs, and general platform issues.

Is Thuso intelligent?

Yes — Thuso uses AI to answer questions. It cannot make verification decisions or change profile data.

FAQs and Troubleshooting

Common issues, error messages, and contact support.

Steps

- 1 Search this Help Centre first
- 2 Check your internet connection and reload the page
- 3 Confirm that required fields are complete and documents uploaded
- 4 Contact support with your email, business name, page, and exact error message

Frequently Asked Questions

The platform is not working properly — what do I do?

Try clearing your browser cache and reloading the page. If the issue persists, contact support at support@aiformprocure.co.za

I want to change my email — how do I do it?

Go to Dashboard, then Settings, then Account and click Change email. You will need to confirm the new email address.

How do I delete my account?

Go to Dashboard, then Settings, then Account, then Delete account. Your data will be kept for 30 days before permanent deletion.
